PROJECT GRC (GLASS FIBER REINFORCED CONCRETE)

DIYAR AL MUHARRAQ MOSQUE

LOCATION: DIYAR AL MUHARRAQ, KINGDOM OF BAHRAIN

SCOPE OF WORK

ARCHITECTURAL DESIGN DEVELOPMENT
INTERIOR DESIGN
CEILING & DOME DETAILING
ISLAMIC PATTERN INTEGRATION

A contemporary mosque designed with inspiration from traditional Islamic architecture. The project features a gracefully detailed dome, intricate geometric ornamentation, and warm indirect lighting that together create a serene and spiritually enriching environment.

The design balances cultural heritage with modern architectural principles, delivering a timeless space for worship and community engagement.

ARCHITECTURAL FEATURES

- Elegant dome with integrated natural daylight openings.
- Intricate Islamic geometric patterns inspired by traditional craftsmanship.
- Warm indirect lighting to create a serene worship environment.
- Minimalist interior finishes with refined architectural detailing.
- Carefully proportioned spaces that balance aesthetics and functionality.

DR. KHALIL RESIDENCE

LOCATION: AMWAJ ISLANDS, KINGDOM OF BAHRAIN

CONTACT NUMBER: 33701991 - 38210008

SCOPE OF WORK

ARCHITECTURAL DESIGN
EXTERIOR FAÇADE DESIGN
INTERIOR SPACE PLANNING
LANDSCAPE COORDINATION

A luxury private residence inspired by timeless neoclassical architecture. The design features grand columns, elegant arches, intricate façade detailing, and a commanding double-height entrance, creating a sophisticated home that seamlessly blends classical elegance with modern residential living.

Every architectural element has been carefully crafted to deliver a prestigious and enduring visual identity.

PRIVATE VILLA

LOCATION: MUHARRAQ, KINGDOM OF BAHRAIN

SCOPE OF WORK

ARCHITECTURAL DESIGN DEVELOPMENT
RESIDENTIAL VILLA PLANNING & DESIGN
EXTERIOR FAÇADE DESIGN
ELEVATION DESIGN & DETAILING
INTERIOR SPACE PLANNING COORDINATION

A modern private residence that blends clean architectural lines with subtle classical detailing to create a timeless and elegant home.

Designed with spacious interiors, abundant natural light, and carefully balanced proportions, the villa offers a refined living experience that emphasizes comfort, functionality, and contemporary luxury.

ARCHITECTURAL FEATURES

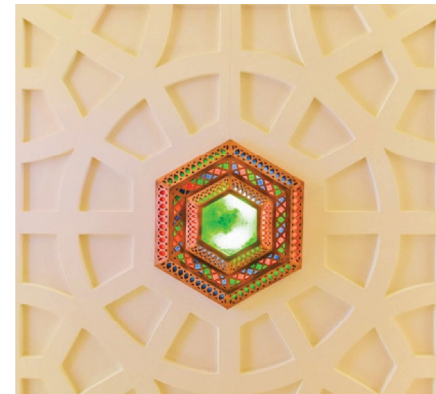

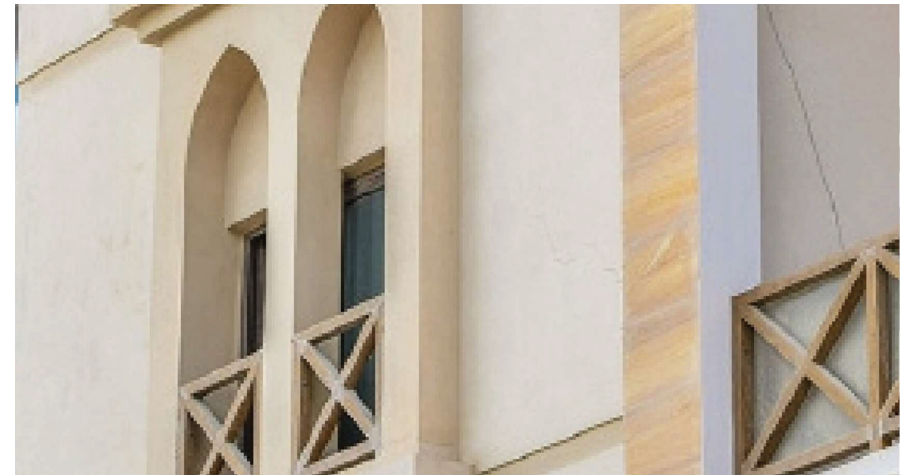

- Contemporary façade design with clean geometric forms and balanced proportions.
- Elegant linear detailing and subtle classical accents enhancing the exterior character.
- Large glazed windows allowing natural daylight and improving indoor-outdoor connectivity.
- Refined entrance composition creating a welcoming and prestigious arrival experience.
- Minimalist exterior palette with premium finishes for a timeless appearance.
- Decorative cornices, vertical elements, and framed openings adding depth and architectural identity.
- Functional planning approach designed for privacy, comfort, and modern family living.

ARCHITECTURAL DETAILS, PERFECTED

LOCATION: BAHRAIN

Every curve, motif, and lattice pattern is meticulously cast to capture the richness of heritage design while meeting the durability standards of modern construction. From ornate ceiling cornices to intricately perforated window screens, our work brings warmth, texture, and cultural authenticity to residential and commercial spaces alike.

CRAFTING EXCELLENCE, ONE DETAIL AT A TIME

Behind every finished facade lies a process built on accuracy and craftsmanship. This project showcases our elements in progress from bold exterior cornices and arched window surrounds to delicate floral wall panels and intricately perforated screens — all custom-manufactured and installed to transform the building's exterior and interior character.
